

# The Cast

Actors don't need to be

Leads:

SpongeBob – High Tenor Range, Looking for the signature laugh and a zest for life. Some tumbling a plus.

Patrick – None too smart. Also a tenor range when singing.

Sandy - Mezzo Soprano/Belt. Country accent. Smart, karate-chopping but she can be hurt.

Squidward – Cranky, nasal baritone or possible alto and octave higher. Tap dancing skills a plus.

Mr. Krabs – Baritone. Another signature laugh, walking sideways and a parental attitude

Plankton – Tiny but a megalomaniac. Must be able to do a very fast rap. Hip hop dancing a plus but not as important as EVIL.

Karen – Plankton's computer wife. Sarcastic attitude. Mezzo.

Pearl – A very soulful singer, also a whale.

Soloists:

Patchy the Pirate – In this version, SpongeBob's biggest fan. Has a tendency to camp in front of the theater. Leads ensemble pirates in a rousing Sarah Berellis song.

Electric Skates – Three or four people to sing an Aerosmith song. Skating skills (skates, blades, boards) a plus.

Perch Perkins – Newscaster of doom. Low bass or Low alto David Bowie song.

Sardine Soloists – Many opportunities for Beautiful Gospel Style solos.

Featured with Lines:

Mayor – typical politician.

Mrs. Puff – Fans of the cartoon know her.

Larry the Lobster – Muscle Pumping dude.

Security Guards – In a battle with Patchy.
